

# IVF Open Evening

Your Questions Answered

Infertility and its treatment is complex and there are so many questions you need to ask.

On Thursday 11th March 2010 you can:

- **Visit** a top international Fertility Centre in the heart of London.
- **Meet** members of the Bridge team who know the answers.
- **Learn** about the causes of infertility, our ever widening range of treatment options and what you can do to increase your chances of success.
- **Hear** – one of the world's leading authorities speaking on the diagnosis and treatment of infertility and how to prepare for IVF.
- **See** some of the latest educational material and informative displays on key topics.

On Thursday 11th March 2010 18:00 – 20:00

At 18:00 Mr Mohamed Menabawey FRCOG will give a lecture entitled "Infertility – Causes and Cures" followed by a Question and Answer session.
